

Faculty Development Programme

Sri Aurobindo College (Eve) organized a Faculty Development Programme on 'Research Methodology and Data Analysis' on 1st May and 2nd May 2017. The Key resource persons were Dr. Namita Rajput (Principal, Sri Aurobindo College(EVE)) and Mr. Amogh Talan (Assistant Professor, CVS). The FDP was organized taking into account the interests and enthusiasm of the participants in research and analysis. Our Convenor Dr. Anil Kumar Singh and Co- Convenor Mr. Akhilesh Kumar Mishra had left no stone unturned in making the event successful.

There were mainly two sessions for both the days. On 1st Day, session one covered the following topics:-

- Basis of research
- Sampling and data collection
- Using SPSS with hands on experience using examples on Descriptives analysis, Hypothesis Testing (One Sample T- Test, Paired Sample T- Test, Independent Sample T- Test).

Session 2 began with the topics of Correlations and Regression Analysis in SPSS.

After first successful day, the second day of the FDP started with a zeal and keenness in learning. The topic covered in session 1 was Factor Analysis and session 2 was ANOVA.

The participants exhibited significant improvement in their analytical skills during practice session suggesting the success of the FDP. During the practice session both the resource persons took a number of queries which eventually made participants more comfortable with SPSS.

A plant and a memento were presented to both the resource persons as a token of gratitude and appreciation as resource persons in the FDP.

The FDP ended on a positive note with a vote of thanks from Dr. Anil Kumar Singh.
